In re Patent Number: 6751804 :
Issue Date: 06/22/2004 : LETTER
Application Number: 10/657004 :
Filing Date: 09/08/2003 :
Attorney Docket Number: WARNER :
591 :

This is a letter in reference to the petition under 37 CFR 1.378(c), filed on July 9, 2009, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

37 CFR 1.378(d) states that any petition under this section must be signed by an attorney or agent registered to practice before the U.S. Patent and Trademark Office, or by the patentee, the assignee, or other party in interest.

The petition has been signed by only one of the two joint inventors, and therefore has not been signed on behalf of the owners of the entire interest. Specifically, the patent lists Robert J. Warner and Margaret A. Warner, as joint inventors, but only joint inventor Robert J. Warner has signed the petition.

A petition form signed in accordance with 37 CFR 1.378(d) (e.g., by all of the inventors) must be filed. No additional fee is due. A copy of the petition form is included for petitioners' convenience.

A reply to this communication should be submitted within ONE (1) MONTH of receipt of this communication. This time period may not be extended. See 37 CFR 1.181.

Patentee has appointed an attorney or agent to conduct all business before the Patent and Trademark Office. Double correspondence with an patentee and patentee's attorney or agent will not be undertaken. Accordingly, patentee is required to conduct all future correspondence with this Office through the

attorney or agent of record. See 37 CFR 1.33. Alternatively, if patentee no longer wishes to be represented by the attorney or agent of record, a revocation of power of attorney should be filed.

The address in the subject petition is different than the correspondence address. A courtesy copy of this decision will be mailed to the address in the petition. All future correspondence, however, will be mailed solely to the address of record. A change of correspondence address should be filed if the correspondence address needs to be updated.
